EXAM BOARD S9 FOR M2 APPRENTICESHIP

Tuesday 15th April 2025

Consultation of my Final Examination copies

After the publication of the Exam Board results, you may reserve an appointment to consult your Final Examination document(s) with the Exam Department.

Please note that if you wish to make an appeal about your grades this should be done within 2 weeks following the publication of your grades. After this 2-week period, no appeal will be accepted.

During the consultation you may contest your grade to the Exam Coordinator if:

1. You notice a miscalculation in the score count
2. You notice that part of the examination has not been fully graded

In either of these scenarios, you must clearly signal this during the consultation of your exam paper.

An illustration of four people in a state of confusion. On the left, a woman in a blue jacket and white shirt looks down with a hand to her chin. Next to her, a man in a blue jacket and grey pants stands with his hands on his hips. In the center, a woman with dark curly hair, wearing a pink shirt and blue pants, is kneeling on the ground, looking up at a large red question mark. On the right, a man in a blue shirt and dark pants stands talking on a mobile phone. The background is white, and the ground is a light pinkish-grey. Several large, 3D-style red question marks float around the group, emphasizing their uncertainty.
