If you have taken an external language test it should be registered on your Rise Profile, in My Registered Languages Certificates.

If the test was taken at school : this procedure will be completed by the Language Department.

Rules

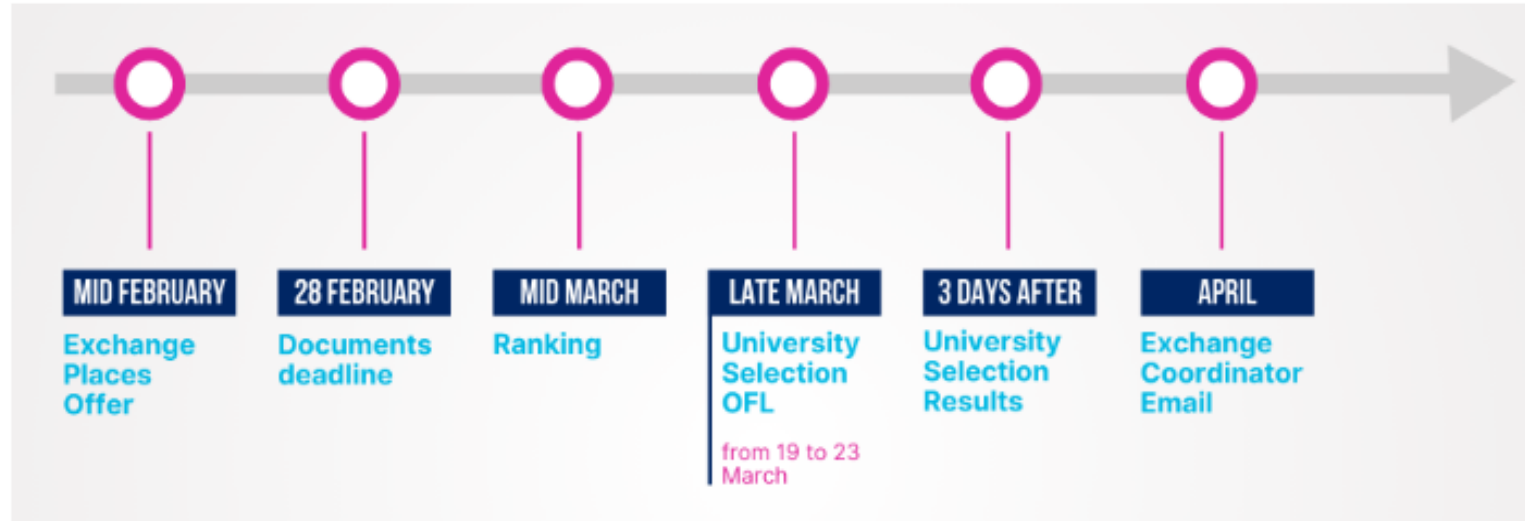

Tests => Only the official tests mentioned above will be accepted.

Date of test => The required score must have been achieved **before** the end of the programme (even if the actual certificate date has expired – *before or during* – the student's cursus at Rennes SB)

A test (with the required minimum score) which was validated during the BiM programme, will therefore be valid for PGE / Master
