QUESTIONS

WHAT ARE THE CONDITIONS TO VALIDATE THE SEMESTER / YEAR?

- A period (semester or academic year) is validated with a GPA > 2 and no F / Fx in any module.
- After resits [capped at D], a student with a GPA > 2 but one or more F grades cannot validate and must resit an exam for the failed module the following year.
- After resits, an apprenticeship student with a GPA between 1 and 2 cannot validate and must repeat the full year.
- A student with a GPA < 1 does not validate the year. The student is not allowed to repeat the year.
