The Feel Good team will submit recommendations for adjustments to the relevant contacts within the School (depending on requests and needs: programmes, administration, mobility, internships, etc.).

We will then get back to you to agree the possible adjustments and put them in place. Throughout your career at Rennes SB, **the Feel Good team will offer you specific and individualised follow-up** to support you during your time at the School and ensure the effectiveness of the measures that are put in place so that they can be adjusted if necessary!
